

Client Advocacy Program

The Sexual Assault Center is pleased to offer Advocacy services to our clients. The Victim Advocates at the Sexual Assault Center are available to support, empower, and represent the rights of survivors of sexual assault by providing guidance in filing for Victim's Compensation, guidance navigating the criminal and civil justice system, and providing appropriate community service referrals. Advocacy services are available to clients of the Sexual Assault Center and non-offending guardians of minor clients of the Sexual Assault Center. If you would like to be contacted by an Advocate, please indicate below:
